The North Fork Valley Creative District is a place rich in arts, culture, and heritage. It is a thriving community where the quality of life is satisfying and the spirit of the people attracts people seeking a respite from their busy day-to-day routines. In addition to having art that can be visited in galleries, studios or is present in our historic buildings in town, the North Fork Valley uniquely shares art that is tangible. Our art can be tasted, breathed, and felt.

The North Fork Valley Creative Coalition (NFVCC) is a Non Profit community organization governed by a volunteer Board of Directors committed to cultivating sustainable economic growth in the North Fork Valley.

Our Mission is to GROW economic activity, NURTURE creative community networking, CREATE opportunities for our youth, ENCOURAGE self-sufficiency, and INCREASE the beauty of our public spaces while celebrating our local heritage and character.
